I Believe in God!

Just believe in Him. EXCITING news is to be spread and share the word of God. Share the world of God. You care for us, Savior.
Evelyn J. — RP

I believe in God because He makes miracles for us and died for us.
Karson M. — GV

I believe in God because without Him we would not be here. But I love Him so much that I pray and I am happy that I am able to even do so. The reason that I believe in God is because other places like Burma is not able to worship God because of persecution and the army. I trust Him no matter what, just like my family and maybe you.

My Favorite Bible Story/Verse

My favorite Bible story is Noah and the Ark. This one is my favorite story, because it tells the story of how all the evil got washed away. Why I think that is, because God told Noah to make an ark and get his wife, three sons, their wives, and animals to get on the ark to be protected from the gallons of rain coming down.
Marlie R. — HE

Dear Parents,

As you can see from what students have written in the "Pathfinder", PTREA continues to sow and nurture seeds of faith, hope and love in the students of Perry Township. It is our privilege to share the love and knowledge of Jesus with them. We hope this will make a profound difference in their lives.

PTREA is **FREE** for all students. Although it costs approximately \$50 per student to provide this program, the costs are covered by the caring donations of parents, churches, and civic organizations of our community.

If your child has benefited from this program and you would like to have a part in helping PTREA to continue, please enclose your contribution in an envelope and return it to your child's teacher or stamp and return by mail to PTREA. You can also donate online at www.ptrea.org (<http://www.ptrea.org>). **Your donation will be greatly appreciated and ANY amount is helpful to keep our program going.**

If you would like someone from PTREA to speak at your church or another organization, please email us at info@ptrea.org (email to: info@ptrea.org).

Thank God for PTREA

All you people who worship God or want to, come down and join PTREA! You may be thinking that it might be useless or there is better things to do, but let me stop you right there. Van C. — HB

In PTREA, I learned that one of the disciples, Judas, betrayed Jesus for money. The plan was that the chief would pay him 30 pieces of silver if he helped him capture Jesus. Then he would send an army and Judas would kiss Jesus on the face so that they would know which one was Jesus. Then they would arrest Jesus.

Ceu T. — HB

You should come to PTREA because it can help you. If something is going on at home, PTREA can help you and pray for you. If someone in your family is sick or in the hospital, PTREA can pray for that someone. PTREA can help you.

John L. — DM

I like going to PTREA, because I make some new friends. Here is another reason why I like going to PTREA, I can learn about what God likes, and how Jesus died to save us from our sins. Brayden M. — JG

When I think of PTREA, I think of Jesus. I enjoy coming and learning about God and Jesus. I learned about the true story of Christmas. I realize now that there is so much more to Christmas than I think about. One thing I learned about Christmas is that three wise men came to give presents when He was already more than 1 year old. Susie C. — JG

In PTREA, I learned about God, the Bible and Jesus, who is the Son of God. We believe in God and Jesus.

Noah V. — WV

I like going to PTREA, because they are nice. I enjoy listening about the Bible. I like the little plays or games they would set out for us. In PTREA, I relearned some of the stories about God.

Questions

If I could ask God one question, it would be: “Why would He make us? We all sin. Why can’t He just make us all not to sin?”

Zupuei L. —GV

If I could ask God one question, it would be: “Why did He come up with ideas to make people and lands and spent 7 days working so hard? I want to know it because sometimes I ask myself what it would be like without God working so hard for 7 days.

Ro Boi T.— GV

If I could ask God one question, it would be “Can you please drive my body away from my sins?” I always get mad at some people who bully and sometimes want to start a fight. This means that I want to change, but I don’t have the power without You, Lord. So will you please change my life to a better life, but also for other people to make the world a better place?

Chris L. — SE

If I could ask God one question, it would be “How did He create Himself? Was there someone before Him? I don’t understand how He created Himself out of thin air.

Aisi Z.— SE
